Welcome Stuart Island  
neighbors,

Due to the cancellation of our  
annual meeting in May, we are  
going to have a remote virtual  
meeting via Zoom this Saturday.  
The COVID 19 issue has altered  
the way we need to conduct the  
meeting and the Board has  
chosen this option. If you can't  
attend please either contact one  
of the Board members with your  
concerns or comments, or leave  
a comment on the adjacent  
sheet in the mail shack.

Agenda:

Greeting

Review of last year's minutes

Budget review and report

Old business

New business including updates  
on the progress our ramp  
rebuild.
